**Phone:** 9763237515

## Projects

---

### Minimalistic Portfolio Website for Professor Vijayalaxmi Kumbhar (August 2024)

- Developed a clean **portfolio website** using HTML and CSS.
- Leveraged **AI tools** to optimize the code.
- Website Link: (<https://vijayalaxmikumbhar.netlify.app/>)

### Autonomous Human-Following and Line-Detecting Grocery Cart

- The cart seamlessly follows the user, making hands-free shopping a reality.
- The cart navigates smoothly along predefined paths, ensuring efficient movement through the store.

## Extracurricular Achievements

---

- Open-source Contributions in **Hacktoberfest** and different developer communities
- Registered **Copyright** in Autonomous Systems domain
- Registered a product **patent** which would help deaf and mute to communicate
- Also registered for a design **patent** in automobile sector.
- Participated in 24-hour **National Level Techathon**
- Participated in **International Level Technical Event (TechFiesta – Hackathon)**

## Trainings Undergone

---

### Accenture North America Data Analytics and Visualization Job Simulation on Forge (July 2024)

- Cleaned, modeled, and analyzed 7 datasets to uncover content trends and strategic insights.
- Prepared reports and video presentations for client communication.

I am passionate about software innovation and excited to apply for a software engineering internship. I look forward to learning about the development process, working with experienced engineers, and contributing to high-quality software products.

## Education

---

### Pimpri Chinchwad College of engineering and Research.

Bachelor of Engineering in Electronics & Telecommunication

2022 – 2026

**CGPA: 8.45**

### Kisanveer Mahavidyalay, Wai

Maharashtra State Board of Higher Secondary Education (2020-2022)

## Skills

---

- Java, Python
- HTML, CSS
- Ai Tools, ChatGPT etc
- Problem Solving
- Understanding of Data Structures and Algorithms (DSA)
- MySQL, Database Management Systems
- Object Oriented Programming(OOPs)
- Experience with VS Code, Eclipse ,Git
